

ARE YOU CURRENTLY PREGNANT FOR THE FIRST TIME?

You may be eligible to participate in a new research study at CSU Dominguez Hills focused on daily emotions and experiences during pregnancy.

What is this study about?

This research study seeks to understand how daily positive emotions and social support influence the psychological and physiological experiences of stress during pregnancy.

Who can participate?

- 18-34 years old
- Pregnant for the first time
- Less than 32 weeks pregnant
- Healthy pregnancy
- Using a smartphone

What does participation involve?

- 2 study visits at the CSUDH Campus (1000 E. Victoria St., Carson)
- 8 days of answering daily surveys using a smartphone app
- Wear a wristband device that monitors heart rate
- Parking or transportation costs to CSUDH will be provided
