OBJECTIVES:

Participants will be able to:

Data Presentation: Beyond the Numbers: Creating Impactful Data Stories

1. Share program descriptive and outcome data.
2. Highlight key successes of the current fiscal year and past 10 years.

Keynote: Responding Rather than Reacting

1. Identify their “Why.”
2. Identify areas of impact their work has on the community and potentially on a child’s entire life.
3. Clearly understand the purpose of their work.
4. Reconnect with the work they’re doing.

Parent Presentation: Sustained Strength: From Home Visiting to Community Building

1. Learn about the various ways one mom benefited from her home visiting program.
2. Learn how a home visiting client used her experience in an HFA program to build a career in community advocacy and leadership.
3. Learn how a home visiting client formed a relationship with program providers that extended beyond her participation in the program.
